

MAUREEN CALLAHAN SCHOLARSHIP APPLICATION

Dear Applicant:

In order to be considered for the Maureen Callahan Scholarship, the following application must be filled out completely. Applications are available at your school guidance office, whsri.org as well as at the Warwick Historical Society.

This scholarship is for one year only and can be used to defray expenditures, such as: tuition, room and board, or fees. These items are to be considered necessities for a student's first year at an institution of higher learning. (*An institution of higher learning* is defined as a college or university that is accredited by a regional or national commission such as the New England Association of Accredited Schools and Colleges.) A check will be mailed directly to the college of the recipient's choice by August 15, 2018. Should a recipient choose to not enroll by the fall term following high school graduation and instead elect to explore alternative ways to study the Society will make appropriate arrangements for disbursement of funds.

Applications must be completed and returned to the high school guidance office no later than March 1, 2018 and returned to the Warwick Historical Society by March 15, 2018. All requirements must be met before the applicant can be considered for this scholarship. Winner will be announced at Honors Night of the recipient's school.

If you have any questions or need additional information please contact Felicia Gardella (fag311@cox.net) at the Warwick Historical Society or your high school guidance counselor.

MISSION

THE MAUREEN CALLAHAN SCHOLARSHIP

Established in 2009 in partnership with the Callahan family and the Warwick Historical Society in memory of Maureen Callahan.

Our interest is to promote the academic achievement and the community involvement of our young citizens. We are committed to encouraging scholarship, but also recognizing, encouraging, and rewarding those students who are active in local government, civic, charitable, and allied efforts that strengthen The City of Warwick.

This scholarship identifies the qualities of scholarship, volunteerism, and community involvement that are highly desirable in our youth. It encourages applicants who understand the importance of history and technology to insure overall health and well-being in our community.

The Warwick Historical Society provides a monetary reward to those students who are exemplary in academic achievement, and community service coupled with an interest in history and technology. In so doing, it identifies role models for other youth, and it clearly underscores the value that the Maureen Callahan Scholarship Fund places on such outstanding civic characteristics in our youth.

THE AWARD

Each year an award will be given to a graduating senior selected from one of two high schools; Toll Gate High School, and Pilgrim High School. The Warwick Historical Society will determine the amount of the scholarship offered annually. **For the 2018 graduating class, we will offer one scholarship award of \$500.00 for the most qualified graduating senior attending one of Warwick's two public high schools.**

THE AWARD CRITERIA

Awardees will be chosen from graduating high school seniors who have documented extensive community, civic, and charitable involvement over the course of their high school careers and who appreciate the value of history and technology.
